

Sinclair Broadcasting's decision to force it's stations to air an extreme anti-Kerry documentary days before the election is a travesty. It amounts to interference in the election.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. To air an extremely slanted program, "Stolen Honor", close to the election is a basically anti-democracy action. Please consider actions such as this when renewal of their license is considered. Thank you.
